## EDUCATION

- **Army Institute Of Technology** Pune, India  
*Bachelor of Engineering - Computer Engineering; GPA: 8.78* July 2019 - June 2023  
*Courses: Operating Systems, Data Structures And Algorithms, Database Management System, Networking*
- **Sri Chaitanya Junior Kalasala** Secunderabad, India  
*XII TH Class - PCM; Percentage: 95.5* April 2017 - April 2019

## SKILLS SUMMARY

- **Languages:** C++, Java, JavaScript, SQL, Python
- **Frameworks:** ReactJS, SpringBoot, AngularJS
- **Tools:** GIT, Postman, RESTful API, FastAPI
- **Platforms:** Linux, Andriod Studio, Windows

## EXPERIENCE

- **Software Engineer** Aug 2023 - Present  
*UBS*
  - **Implemented Loader Utility using SQLLoader:** Using SQL Loader in java to populate the tables in Oracle Database sourcing data from feed files .  
Craeted some required tables using ADM scripts and written the logic to fecth the data at Java end
  - **Procedures for data population:** Developed SQL Procedures to update/insert data in tables according to business requirement and tested the code changes in dev environment(unix)
- **Research Intern** Remote  
*FortyTwoLabs* Mar 2022 - June 2023
  - **CRUD Appllication in Springboot:** Demonstrated CRUD Operation in Springboot using MySQL Database and Hibernate(JPA) as Dataconnector.
